Which CRBs do we exchange credit information with?

If you ask OurMoneyMarket Services (in its capacity as a credit representative entity), to obtain on your behalf, your credit history for the purposes of obtaining a quote for credit, or if you are applying for credit from us, you agree that OurMoneyMarket Services as the credit representative entity or OurMoneyMarket Lending as the credit provider, may give a CRB your personal information and credit-related information which may include but is not limited to:

We may obtain a credit report about you from a CRB. A credit report will provide us with information about you that is held by the CRB and which has any bearing on your consumer and commercial creditworthiness. You acknowledge that OurMoneyMarket Services as a credit representative entity, may (if you authorise us to) obtain this information on your behalf, for the purposes of helping you obtain a quote for credit from a credit provider (including OurMoneyMarket Lending). You can ask a CRB not to use or disclose credit information it holds about you for a period of 21 days (called a "ban period") without your consent if you believe on reasonable grounds that you have been or are likely to be a victim of fraud, including identity fraud. When you apply for credit, you are taken to agree to us accessing your personal information (including credit-related information) held with a CRB, even if there is a ban period in place, for the purposes of assessing an application for credit or in order to collect overdue payments.

CRBs may use credit information they hold to respond to requests from us or other credit providers to "pre-screen" you for direct marketing. You can ask a CRB not to do this. However, if you are a borrower you may still receive direct marketing from us (unless you ask us not to by contacting us at 1300 990 115 or email info@ourmoneymarket.com) that has not been "pre-screened".

As a credit applicant, you agree to us accessing your personal information (including consumer credit and commercial credit information, if applicable) held with a CRB, even if there is a ban period in place, for the purposes of assessing an application for credit or in order to collect overdue payments.
